EL PASO, TEXAS

"The Sun City"

El Paso culture is intertwined with both American and Mexican heritage and it transcends into a city and community with a unique charm. Our treasures include historical landmarks that tell tales from 400 years ago where missions were settled, roads were traveled and desperados ran throughout downtown.

The sixth-largest city in Texas and the 22nd-largest in the United States, El Paso is the second-safest city in the U.S., according to CQ Press.

El Paso lies at the intersection of three states (Texas, New Mexico, and Chihuahua) and two countries (USA and Mexico). Together, El Paso, Ciudad Juarez and Las Cruces, N.M., make up the largest international metroplex in the world.

El Paso is at the western most tip of Texas. It is closer to five other state capitals than our own capital of Austin.

Our region's history spans more than 400 years and blends Native American, Spanish, Mexican and American cowboy roots into one unique culture where diversity is embraced and celebrated. El Paso was the site of the first actual Thanksgiving in April 1598, predating the Pilgrims by 23 years.

THE WEATHER:

Mean High Temperature: **76.8° F**

Mean Low Temperature: **50.6° F**

Mean Number of Days With Sunshine: **316**

Yearly Amount of Rainfall: **8.61 in**

El Paso features the oldest continuously operating missions in the country.

ENJOY THE ADVENTURE

As you enter the city of sun and smiles, your eyes go straight to the majestic mountains that lie in the heart of our city. Our distinctive landscape makes us unlike any other city in Texas. With more than 300 days of sun, you can enjoy endless miles of nature's playground in El Paso any time of the year.

El Paso embodies a blend of cultures as unique as its city's landscape. From boots to Broadway shows, Bistros to barbeques, El Paso's got it all.

Men's Health Magazine named El Paso the second happiest city in America.

EXPERIENCE THE ENTERTAINMENT

Our historic downtown has transformed into a rejuvenated place for families, couples, friends and strangers to come together and enjoy great entertainment. From theater shows, museums, galleries and a slew of local hot spots, El Paso's downtown comes alive day or night.

In October 2005, *Entrepreneur Magazine* ranked El Paso as the No. 1 midsize city in the United States on its hot cities for Entrepreneurs list.

El Paso has action-packed outdoor sporting events throughout the year like Texas vs. The Nation Football Game, El Paso Diablos (baseball), El Paso Rhinos (hockey), El Paso Patriots (Volleyball), El Paso Marathon, the Southwest International Livestock Show & Rodeo, Celebration of our Mountains and the Hyundai Sun Bowl.

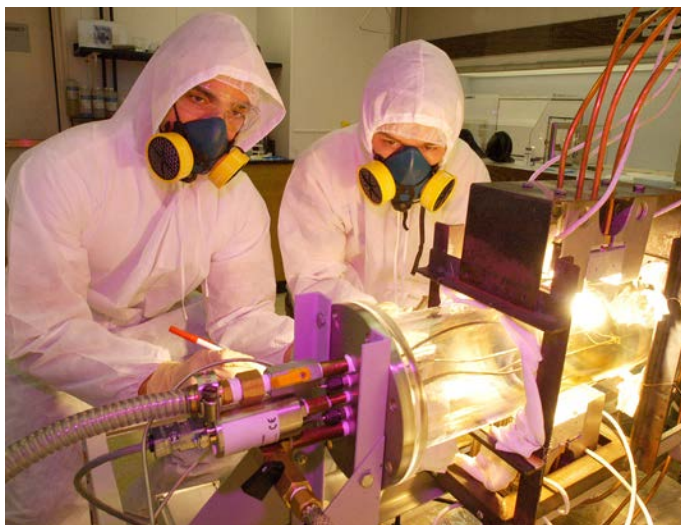

Annual events in El Paso include festivals such as the Siglo de Oro Drama Festival, the Downtown Street Festival, Fiesta de las Flores, Amigo Airsho and the Bi-National Dia De Los Muertos Celebration; summer outdoor concerts - like Alfresco Fridays! and Music Under the Stars - are free and filled with great entertainment.

The University of TEXAS AT EL PASO

UTEP enrolls over 21,000 students in 81 bachelor's degrees, more than 70 master's-level degrees and programs and 14 doctorates – with more on the way. UTEP also offers cooperative Ph.D. programs in pharmacy and nursing with U.T. Austin and the U.T. Health Sciences Center at Houston.

Under the leadership of our top-notch faculty researchers, our students are working on new methods for refining oil using nanotechnology; and creating sustainable water supplies and new desalination technologies.

UTEP is also one of only 20 schools in the U.S. recognized by the National Survey of Student Engagement for creating "a campus culture that fosters success."

UTEP's significant progress in research and doctoral education during the past 20 years had already earned us designation by the Texas Higher Education Coordinating Board as an "Emerging Tier One University."

With more than 170 organizations ranging from academic/professional to social and service groups, we're sure you'll find a way to get involved.

UTEP was awarded a five-year, \$5 million grant by NASA to create a Center for Space Exploration Technology Research.

The majority of the university's 90 buildings feature Bhutanese-style architecture. Most notable are the dark bands of brick with mosaic titles in the shape of mandalas, the symbol of unity and wholeness – inspiring those who visit, teach, learn and dream here.

The campus architecture is a rare example of the dzong style seen outside the Himalayas – the university hosts the Chenrezig Himalayan Cultural Center of El Paso.

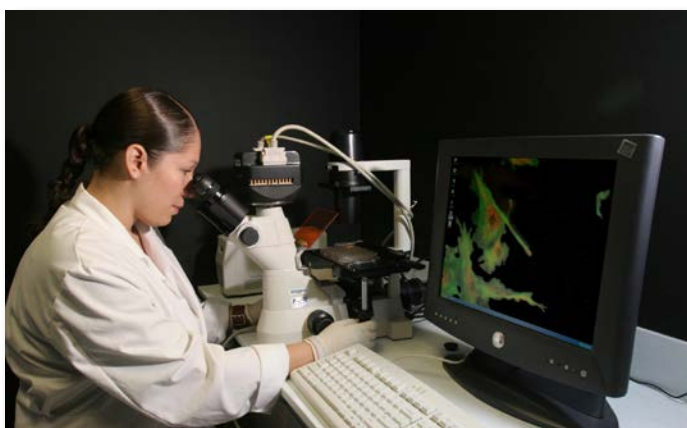

"From every vantage point, UTEP seems to be gaining momentum, moving faster, accelerating the pace at which we are setting and achieving even more ambitious goals."

Dr. Diana Natalicio
UTEP President

UTEP is among a few education institutions across the nation to receive several top-name prestigious grants, including the Teachers for the New Era from the Carnegie Corporation; the Partners for the Advancement of Collaborative Engineering Education; and the Mathematics and Science Partnership from the National Science Foundation.

We're studying a person's memory of a crime to improve eyewitness identification techniques, and we're using biomechanical engineering to improve footwear design.

2010 **utep** VOLLEYBALL | 14 | THIS IS UTEP

We are working with rapid-prototyping technology to create surgical models. We're excavating prehistoric villages for clues about ancient indigenous culture.

UTEP ranks among the top UT System academic institutions in research spending - \$46 million a year - and makes the most of its distinctive strengths in the areas of biomedical, health and Hispanic-health disparities; border security; environmental and Earth science; emerging technologies; borderland arts and humanities; and the education of U.S. Hispanics.

Our unique programs give students an edge, preparing them to compete in specialized fields. Among them are the Law School Preparation Institute, the Medical Professions Institute and the Ruben Salazar Spanish-Language Media Program.

Bob Stull

Director of Athletics

Bob Stull's initial strategic plan resulted in unprecedented growth and achievement for UTEP Athletics. Phase two of his strategic plan -- which is currently being implemented -- is designed to take the Miners to even greater levels of excellence.

UTEP's football coach from 1986-88, Stull took over as the school's Director of Athletics in 1998. His return has produced a myriad of accomplishments, most notably:

- The football team making three bowl appearances, including two under the direction of former National Coach of the Year Mike Price
- The men's basketball program reaching postseason play in six of the last seven seasons, including the NCAA Tournament in 2004, 2005 and 2010
- The women's basketball team enjoying a record-setting 2007-08 campaign, notching 28 victories and earning rankings in both top-25 polls
- The women's Volleyball team earning its first-ever NCAA Tournament bid in 2005 and scoring a first round upset of Texas in Austin
- The cross country and track and field squads capturing 11 conference titles over the last six years. The UTEP women finished seventh at the 2010 NCAA Track and Field Championships both indoors and outdoors

Team success, however, doesn't even begin to tell the story of the impact Stull has made at UTEP. Student-athlete graduation rates have soared since his arrival. Existing facilities have been renovated, and sparkling new buildings -- once a pipe dream -- have taken shape.

Stull spearheaded UTEP's transition from the Western Athletic Conference -- the Miners' home for over 30 years -- into Conference USA. As a member of C-USA UTEP has maintained rivalries with state institutions Houston, Rice and SMU, while benefiting from increased regional and national exposure.

Stull's greatest achievement off the playing field has been widespread enhancements to UTEP's athletic facilities. The \$11 million, 65,000-square foot Larry K. Durham Sports Center opened in 2002 and features a 10,000-square foot strength and conditioning center; a sports medicine center; a student-athlete lounge and computer center; a football locker room; football coaches' offices; football positional meeting rooms; and a "Hall of Champions" which is utilized for numerous athletic department functions.

In 2005 construction was completed on the state-of-the-art, \$2.2 million Helen of Troy Softball Complex. Not only does the breathtaking facility serve as a home to UTEP's newest athletic team, but it also houses coaches' offices and locker rooms for softball and Volleyball.

The latest addition to UTEP's athletic department kingdom is the Foster Stevens Basketball Center, which opened in the spring of 2009. The \$14.6 million, 43,000-square foot facility features two practice courts, strength and conditioning center, sports medicine center, academic/film room, coaches' offices, locker rooms, equipment room and lounges for the UTEP men's and women's basketball programs.

Stull rejoined the UTEP family after a 10-year absence. He came to El Paso from the University of Washington, where he served as associate athletic director for development for two seasons. While at Washington Stull coordinated the development and fund-raising areas for the UW Athletic Department.

What Stull is best known for is his coaching exploits on the gridiron, especially as a head coach at Massachusetts, UTEP and Missouri.

At Massachusetts Stull went 3-8 in his first year, then improved to 7-4 in 1985, with the nation's second-ranked scoring defense (11.5 points per game).

Stull arrived in El Paso in 1986 and immediately produced dividends. From 1971 to 1985 UTEP football teams went through six head coaches and posted just 26 wins. In just three years with the Miners, Stull's charges won 21 games and saw postseason action for the first time since 1967.

Stull guided the Miners to a 10-2 regular-season record and a second place finish in the Western Athletic Conference in 1988. UTEP played in the Independence Bowl that year.

Stull took over Missouri's football program in December, 1988. He also was selected National Coach of the Week following the Tigers' 30-9 upset of 15th-ranked Arizona State. Probably the most-publicized game of Stull's career was the historic "fifth-down" contest against eventual national champion Colorado.

Stull bstarted his collegiate coaching career as a graduate assistant at Kansas State, his alma mater. After Kansas State Stull moved on to Kent State, where he was the offensive line coach and recruiting coordinator from 1971-74.

Next came his long-running association with Washington, as Stull worked under head coach Don James. He was a part of six bowl teams and three Pac-10 championship squads. The Huskies participated in the Rose Bowl three times (1978, 1980, 1981), and beat Texas, 14-7, in the 1979 Sun Bowl in El Paso.

A native of Davenport, Iowa, Stull holds bachelor's and master's degrees from Kansas State, where he was a three-year letterman and captained the Wildcats in 1967.

Stull and his wife, Kim, have two children -- daughter Shannon, a University of Texas graduate, and son Kevin, who graduated from Arizona State.

Dr. Diana Natalicio

University President

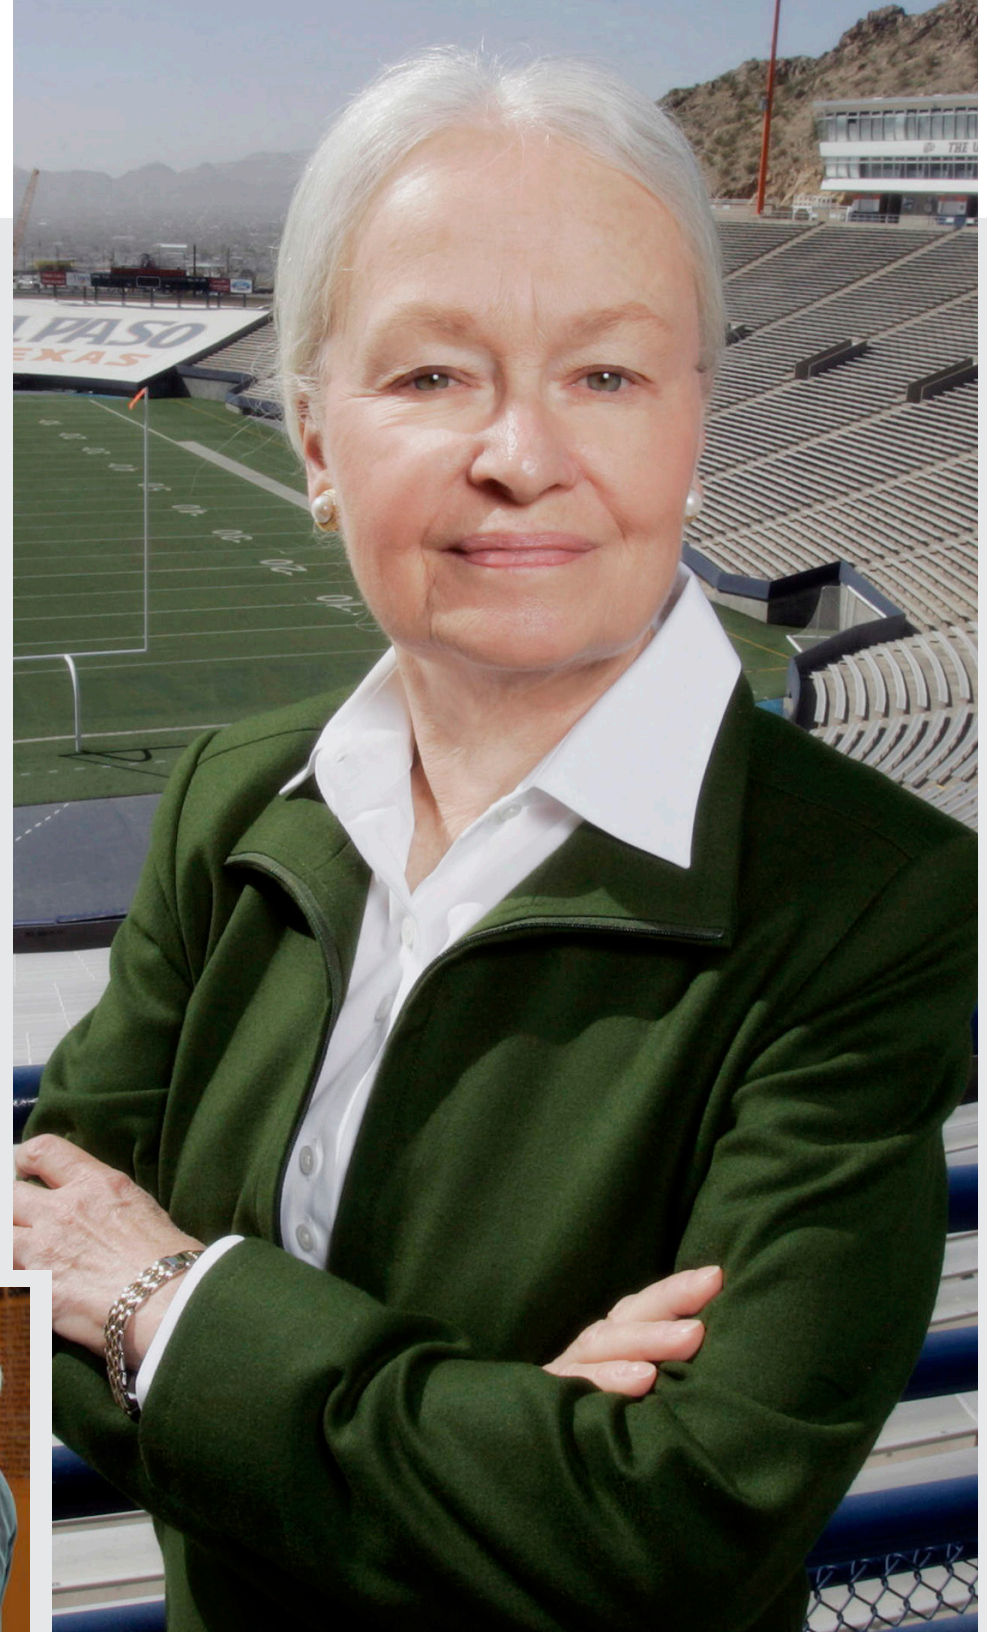

Diana Natalicio was named president of UTEP in 1988. During her long and distinguished career with the University, Dr. Natalicio has served as vice president for academic affairs, dean of liberal arts, chair of the modern languages department and professor of linguistics. Her sustained commitment to provide all residents of the Paso del Norte region access to outstanding higher education opportunities has made UTEP a national success story.

During Dr. Natalicio's tenure as president, UTEP's enrollment has grown to more than 21,000 students, who reflect the demographics of the Paso del Norte region from which 90 percent of them come: More than 75 percent are Mexican American, and another 6 percent commute to the campus from Ciudad Juárez, Mexico. UTEP's annual budget has increased from \$65 million to more than \$350 million, since 1988. UTEP is designated as a research/doctoral-intensive university, recognized nationally for both the excellence and breadth of its academic and research programs. UTEP's externally funded research expenditures have grown from \$6 million to nearly \$60 million per year, and doctoral programs from one to 16 during this same period. To accommodate steady growth in enrollment, academic programs and research, the university is currently managing more than \$250 million in facilities expansion projects in science, engineering and health sciences.

Dr. Natalicio serves on the board of trustees of the Rockefeller Foundation and on the board of directors of Trinity Industries, the American Council on Education and the National Action Council for Minorities in Engineering. She has served on the board of governors of the U.S.-Mexico Foundation for Science, the NASA Advisory Committee (NAC), the boards of the Sandia Corporation and Internet2, and was appointed by President George H.W. Bush as a member of the Advisory Commission on Educational Excellence for Hispanic Americans. Initially appointed to the National Science Board by President Bill Clinton in 1994, she served two six-year terms as a Board member and three two-year terms as the NSB's vice chair.

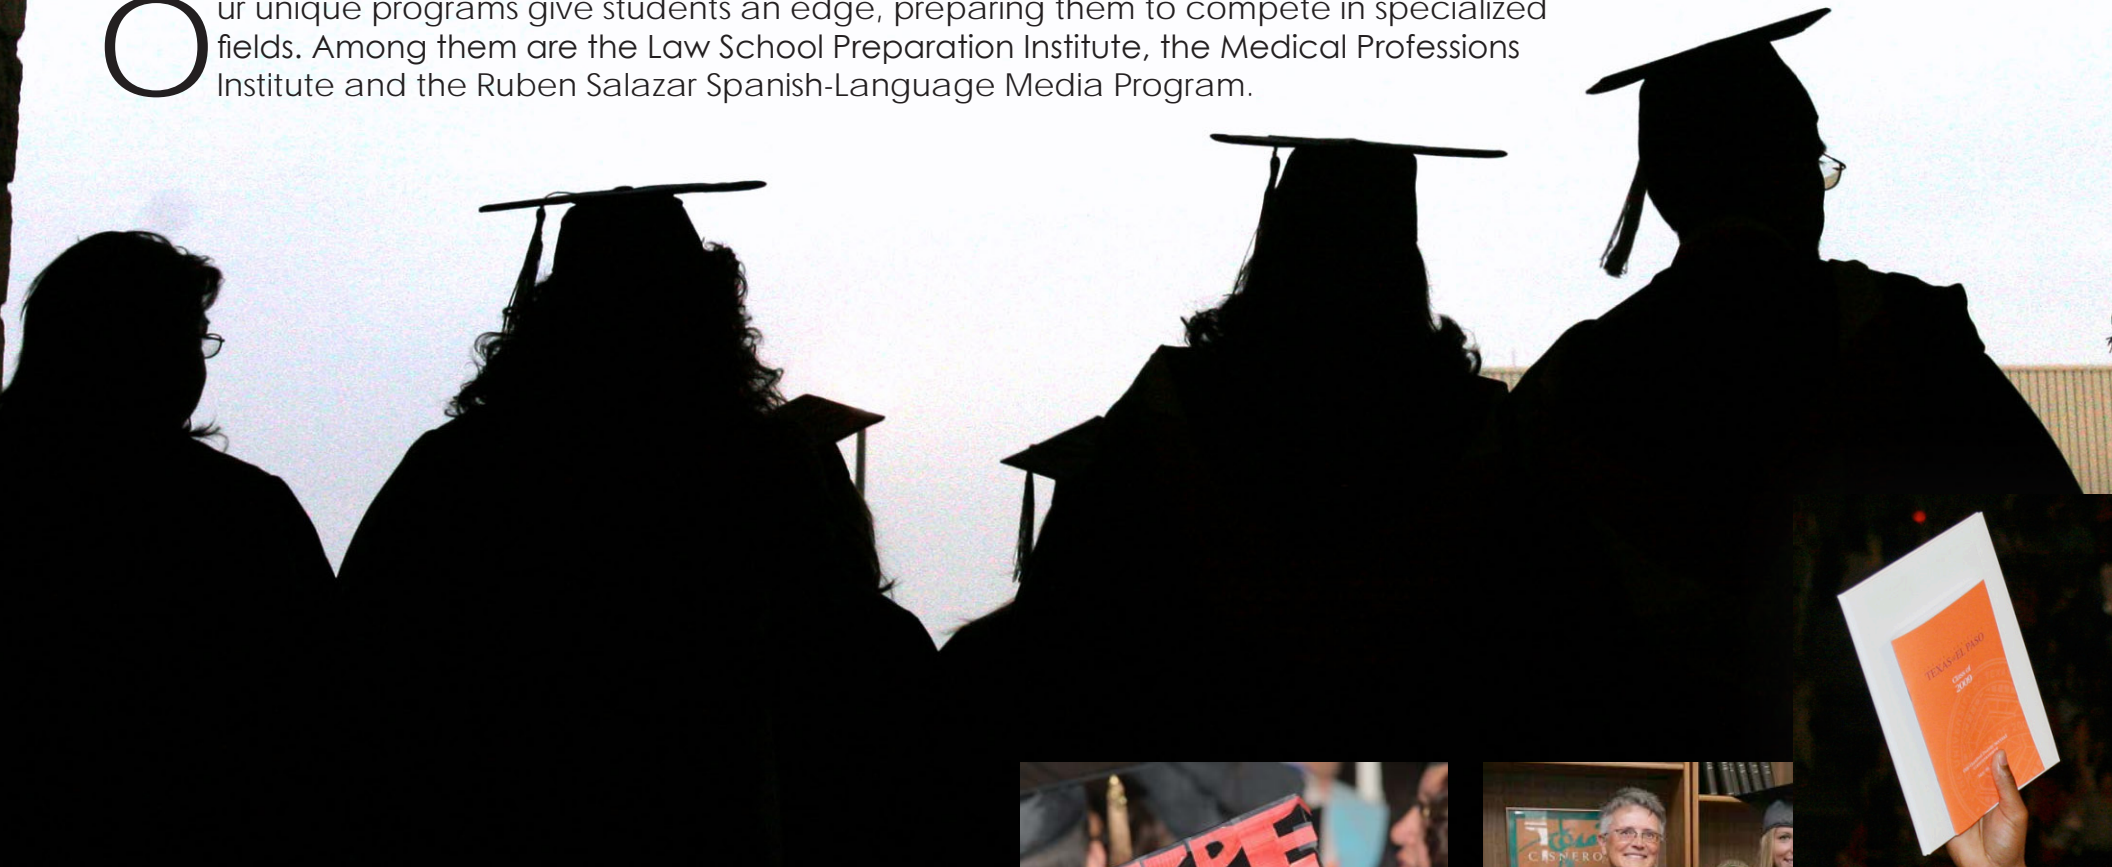

In recognition of her success in building strong partnerships between UTEP, the El Paso Community College and school districts in the Paso del Norte region, Dr. Natalicio received the Harold W. McGraw, Jr. Prize in Education in 1997. She was inducted into the Texas Women's Hall of Fame in 1999, was honored with the Distinguished Alumnus Award at The University of Texas at Austin in 2006, and is the recipient of honorary doctoral degrees from Smith College and the Universidad Autonoma de Nuevo Leon.

A graduate of St. Louis University, Dr. Natalicio earned a master's degree in Portuguese and a doctorate in linguistics from The University of Texas at Austin.

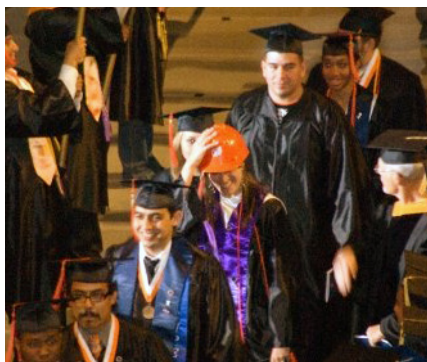

ACADEMIC EXCELLENCE

Our unique programs give students an edge, preparing them to compete in specialized fields. Among them are the Law School Preparation Institute, the Medical Professions Institute and the Ruben Salazar Spanish-Language Media Program.

UTEP's nationally-recognized academic programs and innovative research provide students a universe of opportunities.

"Through academic program recognitions, individual student and faculty successes, research breakthroughs, and athletic accomplishments, UTEP has increasingly stepped into the spotlight."

--Dr. Diana Natalicio, UTEP President

The National Science Foundation has designated UTEP a Model Institution for Excellence – one of only six in the country.

UTEP and Conference USA are committed to academic excellence. We play a vital role in encouraging an environment of and setting high expectations for academic success. C-USA offers academic awards programs to honor the academic achievements of C-USA student-athletes and publicly recognizes their accomplishments at the conference level.

Miner Athlete Academic Center

The MINER ATHLETE ACADEMIC CENTER (MAAC) was created to provide academic support services to all UTEP student-athletes and is conveniently located in the center of campus. Recognizing that one of a student-athletes' greatest challenges is maintaining the balance between academics and athletics, each sport is assigned an athletic academic advisor whose primary responsibilities are to serve as an advisor and mentor for student-athletes; to assist with educational goal setting, degree plans, and course selection; to track academic progress and to calculate and certify NCAA academic eligibility.

The MAAC is dedicated to promoting the individual and educational goals of each UTEP student-athlete and ensuring compliance with UTEP, Conference USA and NCAA academic eligibility standards.

The MAAC offers a Three-Part Academic Support Program designed to assist student-athletes in developing time management and study skills. The program includes mentoring, one-on-one tutoring, and large areas devoted to focused study time.

In April 2007, UTEP finished a complete renovation to expand the MAAC facility from 2,000 to 6,900 square feet. The new facility includes a computer lab with 50 computers and four laser printers, nine rooms for individual tutoring appointments, a large quiet area for study hall and classrooms for group tutoring.

The athletic department strives to implement and participate in programs designed to recognize the academic success of our student-athletes and the team as a whole. The department is continuously striving to provide all the necessary tools for all sports programs to have academic and athletic success.

Community Outreach

The Miner S.U.C.C.E.S.S. LIFE SKILLS program supports efforts of every student-athlete toward intellectual development and graduation, uses athletics as preparation for success in life, meets the changing needs of student-athletes, promotes respect for diversity among student-athletes, enhances interpersonal relationships in the lives of student-athletes, assists student-athletes in building positive self-esteem, enables student-athletes to make meaningful contributions to their communities, promotes ownership by the student-athletes of their academic, athletic, personal and social responsibilities, enhances partnerships between the NCAA, member institutions and their communities for the purpose of education, and encourages the development of leadership skills.

UTEP Athletics is operated in harmony with the university's stated mission and is committed to the intellectual, cultural, physical and social development of student-athletes. In particular, the intercollegiate athletics program serves as an educational opportunity for student-athletes and as a focal point to bring the student body, faculty and community together.

Every UTEP student-athlete has numerous opportunities to participate in community service provided by the Department of Intercollegiate Athletics and other campus and community organizations.

An important part of college life is selfless service to the university community and the community at large. This commitment provides student-athletes with an opportunity to begin a lifelong habit of volunteerism.

The athletic department strives to implement and participate in programs designed to recognize the success of our student-athletes.

The athletic department and the university seek to provide student-athletes with the coping skills necessary to deal with a variety of life's challenges; to support the development of a well-balanced lifestyle for student-athletes; and to encourage emotional well-being, personal growth and decision-making skills.

Competition Lives Here

TEAM C-USA: DEDICATED TO EXCELLENCE

After marking its 15-year milestone during the 2009-10 season, Conference USA is still going strong. From the beginning, dedication to excellence has been the league's guiding principle and remains today a common thread for a promising future. C-USA is home to 12 nationally prominent, tradition-rich members in East Carolina, Houston, Marshall, Memphis, Rice, SMU, Southern Miss, Tulane, Tulsa, UAB, UCF and UTEP. This combination enhances men's and women's programs that are immersed in athletic success and academic prowess. Together, we are committed to excellence, integrity and leadership in athletics, academics and in our communities.

All C-USA institutions sponsor Division I-A football, along with several other men's and women's athletic programs, many of which compete regularly for NCAA Championships. C-USA sponsors competition in 20 sports - nine for men (baseball, basketball, cross country, football, golf, Volleyball, tennis and indoor and outdoor track and field) and 10 for women (basketball, cross country, golf, rowing, softball, Volleyball, swimming and diving, tennis, indoor and outdoor track and field and volleyball).

The league sponsors numerous academic awards, including the Commissioner's Honor Roll and the Commissioner's Academic Medal, indicative of outstanding achievement in the classroom. C-USA annually awards 12 postgraduate scholarships, along with the Sport Academic Award, Scholar Athletes of the Year and the Institutional Academic Excellence Award.

Conference USA also added a Spirit of Service Award, recognizing student-athletes three times a year for a combination of significant community service efforts, good academic standing and participation in their elected sport.

In addition, 34 volleyball teams, 49 men's and women's Volleyball teams and 25 softball teams have earned NCAA Tournament bids. C-USA has sent three men's Volleyball teams to the NCAA College Cup, five softball teams to the Women's College World Series and three volleyball teams to the Sweet 16. The league has also had six national champions in NCAA track and field competition, one national champion in diving and numerous NCAA individual and team competitors in cross country, golf, swimming, tennis and track and field. Overall, Conference USA teams and individuals have made more than 500 NCAA appearances.

SUCCESS OFF THE FIELD

C-USA institutions are among the nation's best in academic performance among student-athletes, bolstered by the fact that student-athletes at league schools have a higher graduation rate than the general student population. Among C-USA's 5,000 student-athletes, there are champions off the playing field as well. In 15 years, 130 student-athletes earned national ESPN The Magazine Academic All-America honors, while 461 were named All-District. In addition, more than 20,000 student-athletes have been named to the Commissioner's Honor Roll or received the Commissioner's Academic Medal, indicative of outstanding achievement in the classroom.

2009 CONFERENCE USA VOLLEYBALL HIGHLIGHTS

- There have been 81 AVCA Midwest Region first team honors given to 54 C-USA volleyball players. In addition, four student-athletes have appeared on the AVCA Midwest Region first team four consecutive years. Five C-USA players have earned AVCA Midwest Region Freshman of the Year accolades.
- C-USA has had three student-athletes earn AVCA All-American third team honors, while 47 athletes have collected 61 honorable mention accolades, including 10 players that have earned the honor twice.
- Current C-USA schools have made 20 NCAA appearances in the last 15 years.
- Houston has made 11 NCAA Championship appearances since 1989. UCF has earned seven NCAA berths since 1994.
- UCF won the AIAW Small College National Championship in 1984, when the squad went 55-0 overall.
- Houston and Memphis are listed among the NCAA all-time winningest volleyball programs. Houston's 851 victories is 19th-best, while Memphis ranks 25th with 782 all-time.
- Nine current C-USA volleyball programs have reached the 20-win plateau a total of 34 times, while one school has achieved the 20-win feat (Memphis/2003).

GUIDELINES TO THE NCAA RULES FOR ALUMNI, FACULTY AND FRIENDS

"Institutional control" of athletics is a fundamental requirement of NCAA legislation. As such, the University of Texas at El Paso is responsible for ensuring that members of the faculty and staff, coaches, student-athletes, alumni, donors, boosters and friends of the institution comply with all applicable NCAA rules. The information below is intended to provide a basic overview of NCAA rules governing UTEP alumni, faculty and friends. Because of the complexity of the rules, the following does not include all applicable situations and should not be relied upon exclusively. UTEP appreciates your interest and support but reminds you that an inappropriate contact or an inadvertent action on your part can jeopardize the eligibility of a prospective or enrolled student-athlete and the university. If you have specific questions, please contact the Athletics Department's Compliance Office at (915) 747-8024.

You Are Considered A "Representative Of UTEP's Athletics Interests" (i.e., a booster) If You:

- Have ever made any type of financial or in-kind contribution to the athletics department, to a specific sport program, or to an athletics booster organization, including purchasing season tickets to athletics events.
- Are or have been a member of any organization or agency promoting UTEP athletics.
- Have ever helped to arrange or have provided employment for an enrolled student-athlete, a prospective student-athlete, or their parents or relatives.
- Have ever assisted in any manner in the recruitment of prospective student-athletes.
- Have ever provided benefits to enrolled student-athletes or their families.
- Have otherwise promoted the institution's athletics program in any manner.

Once you become a booster, you retain that status FOREVER!

A prospective student-athlete (a prospect) is any person who has begun classes for the ninth grade. A prospective student-athlete remains a prospect even after he or she has signed a National Letter of Intent or accepts an offer of financial aid to attend UTEP. The prospect remains a prospect until they report for the first day of classes for a regular term (fall or spring), they participate in a regular squad practice or competition, or they officially register and enroll and attend classes during the summer prior to initial enrollment and receive institutional athletics aid.

Rules Governing Contacts With And Benefits For Student-Athletes

NCAA legislation expressly prohibits University supporters from providing "extra benefits" to enrolled student-athletes or their families. An extra benefit is any special arrangement to provide a student-athlete or his/her family a benefit not authorized by NCAA legislation. In general, boosters may not provide anything or make special arrangements for student-athletes or their families that are not available to the general student population.

Examples Of Prohibited "Extra Benefits" Include, But Are Not Limited To:

- Providing cash or loans in any amount.
- Signing or co-signing for a loan or guarantee of bond.
- Use of an automobile or other personal property (e.g., boats, summer homes, stereos).
- Gifts of any kind, including birthday cards, flowers, holiday gifts and gifts of clothing or equipment.
- Any tangible items, including merchandise.
- Free or reduced-cost services, rentals, or purchases (e.g., car repairs, legal services, haircuts, meals at local restaurants).
- Purchasing complimentary admissions from a student-athlete.
- Providing an honorarium to a student-athlete for a speaking engagement.
- Providing typing services or other costs associated with school projects or reports.

Boosters MAY provide enrolled student-athletes with an occasional home meal, provided the meal takes place at the booster's home, on campus, or at a facility that is regularly used for home competition. The meal may be catered and must be limited to infrequent or special occasions. The Compliance Office must approve all such meals.

Compliance with NCAA rules is of the highest priority for our athletics program and institution. Even the best-intentioned action on your part may be a violation of NCAA rules.

Please **remember to ASK before you ACT.**

BOOSTERS ARE PROHIBITED FROM:

- Contacting a prospect in person on or off our campus.
- Writing or telephoning a prospect or a member of the prospect's family.
- Making arrangements for a prospect or the prospect's relatives or friends to receive money or financial aid of any kind.
- Providing transportation for a prospect or the prospect's relatives or friends to visit our campus.
- Providing free tickets or tickets at a reduced cost for prospects or the prospect's relatives or friends to attend an athletic event.
- Entertaining high school, preparatory school or community college coaches.

BOOSTERS ARE PERMITTED TO:

- Notify our coaches about prospects that may be strong additions to our teams.
- Attend high school or two-year college athletic contests or other events where prospects compete, however, boosters may not contact the prospect or the prospect's relatives.
- Continue existing friendships with families of prospects, but boosters may not attempt to recruit the prospect.
- Employ a prospect after they have graduated from high school or a two-year college.

2010 | UTEP | NOTEBOOK

FOR STARTERS

UTEP enters 2010 in uncharted territory, with a rebuilt roster ready to pay dividends. Successful Miner teams of the past have been driven by veteran players, but the outcome of this season will rest primarily on the play of underclassmen. Head coach **Ken Murphy** has constructed a unit from the ground up and the Miners are hoping to achieve a break through season in 2010.

UTEP returns two starters and five letterwinners from the 2009 squad and welcomes six newcomers - one junior transfer and five true freshmen. The Miners will also be counting on three redshirt freshmen who gained valuable practice experience last year (**Melissa Toth**, **Jeane Horton** and **Ashley Mullens**).

While the play of young players will be important, highlighting the team will be senior veteran **Patty Jarmoc**. She enters her final campaign ranked fourth all-time in career assists with 3,187. The native of Calgary, Alberta, Canada, needs 1,024 in 2010 to become UTEP's all-time career assists leader. She also enters the year rated fifth in career service aces with 110.

After making her debut a season ago, **Cassandra Burruel** led UTEP's defensive threat at the net, averaging 1.12 blocks per set (1.35 in league matches) in 2009 to rank fourth in Conference USA. Burruel will have the opportunity to take the offensive reigns, as all four of UTEP's top hitters from 2009 have exhausted eligibility. Burruel ranked fifth behind the foursome with 116 Ks.

Defensive standout **Jennifer Nolasco** returns for her senior campaign after posting a team-high 329 digs as a junior. She posted 15 double-digit dig performances including four 20-dig matches. She was named the C-USA Defensive Player of the Week on Sept. 28 after collecting a career-high 32 digs against Tulsa.

UTEP, which finished 11-18 (4-12 C-USA) a season ago, led their opponents in hitting percentage (.206), aces (131), digs (1425) and blocks (270). UTEP recorded the highest attendance in the league, gathering a collective audience of 12,635 including 7,246 in home matches.

CONFERENCE SHAKES IT UP

A new Conference USA volleyball format for schedule begins in 2010. The league eliminated its conference championship. The league's teams will now play 20 conference matches instead of 16. The regular-season champion will earn the automatic bid to the NCAA Tournament.

CHASING CHRIS

Setter **Patty Jarmoc** enters the 2010 season ranked fourth all-time in career assists with 3,187. The senior, who averages 1,062 assists per season, needs 1,024 assists to become UTEP's all-time career leader held for 11 years by **Chris Brandl** (4,210). The Canadian needs just 200 assists to move into third place and 223 will place her second all-time.

CAREER TOTAL ASSISTS

4,210	Chris Brandl	88, 89, 90, 91
3,409	ReeDee Granado	93, 94, 95, 96
3,386	Veronica Acosta	96, 97, 98, 00
3,187	Patty Jarmoc	07, 08, 09
2,843	Katie Smith	04, 05, 06

THE CHASE CONTINUES

Jarmoc also enters the 2010 season fifth in the career service aces with 110. Five more will move her into fourth all-time, 24 in to third and 28 into second place. She needs 39 service aces to topple **Chris Brandl** who has 148 and who Jarmoc is chasing for the all-time assist record.

CAREER TOTAL ASSISTS

148	Chris Brandl	88, 89, 90, 91
137	Catherine Porter	96, 97, 98, 99
133	Jennifer Abbruzzese	00, 01, 02, 03
122	Amy Sanders	06, 07, 08, 09
114	Tina Vidouria	92, 93, 94, 95

110	Patty Jarmoc	07, 08, 09
------------	---------------------	-------------------

YOU CAN'T GET THROUGH HERE

The UTEP front court, ranked 28th nationally and second in the league in blocks (2.6 per set), returns its top blocker **Cassandra Burruel**. Burruel finished last season fourth amongst C-USA players averaging 1.12 blocks per set. She broke the four-set match record with 12 assisted net stops against Marshall (10/18/09).

KEN MURPHY

HEAD COACH | Arizona State '92

Under the direction of Ken Murphy, the second-most tenured head coach in school history, the UTEP volleyball program is on an upward spiral of success.

He is in his fifth year and now trails only the legendary Norm Brandl (1976-98) for the longest reign at the institution by a volleyball coach.

The Miners have produced some of top seasons in the modern era under his watch. Individuals have also thrived with Murphy mentoring players who have been among the most notable to ever don the Orange and Blue.

Murphy tutored former standouts and El Paso natives Catherine Chavez and Amy Sanders. Chavez became just the third player in UTEP history to record more 1,000 digs (1,229) and kills (1,108) in a career. Sanders is second all time at the school in kills (1,431).

Under Murphy's guidance, current senior setter, Patty Jarmoc needs 1,024 assists to become UTEP's all-time career leader. The record has stood for 19 years.

UTEP closed out the 2009 campaign ranked second in the league and 29th nationally in blocks per set (2.6). Leading the charge in that department was Cassandra Burrue, who checked in fourth among C-USA players for blocks per set (1.12). Burrue, who returns to the Miners for 2010, broke the program's four-set match record with 12 assisted net stops against Marshall (10/18/09).

There has been a resurgence of local interest in UTEP volleyball since Murphy took over in 2006. The Miners have been atop the league's ranks in attendance, amassing 20,279 (545 match average) fans in 2007, 2008 and 2009. It marks the best three-year stretch at the school in the past decade. His community efforts and alumnae outreach have played a big role in the Miners playing 15 contests in front of a crowd of at least 600 fans, including four matches surpassing 1,000 fans.

The Miners have also excelled academically under Murphy's tutelage. Twenty-three student-athletes have been named to Conference USA's Commissioner's Academic Honor, with four earning the prestigious C-USA Commissioner's Academic Medal. Katie Smith garnered placement on the C-USA All-Academic team in 2006 and in 2009, Burrue was also recognized. Chavez also secured the league's Spirit of Service Award for her community service.

In his first year (2006), Murphy led the Miners to a record-breaking season. Smith and Elsa Reyes broke UTEP single-season records for assists and digs, respectively. Smith's 1,356 assists smashed the 15-year school standard. Under his guidance, Smith received Academic All-Conference USA honors while eight student-athletes were named to Conference USA's Commissioner's Honor Roll.

Murphy came to UTEP after serving six seasons as the associate head coach for the University of Idaho, where he helped lead the Vandals to back-to-back NCAA Tournament appearances in 2003 and 2004.

While at Idaho, Murphy's duties included recruiting and team development, with primary responsibilities over middle blockers and setters. He also oversaw offensive and blocking systems, as well as strategies.

Prior to Idaho, Murphy was an assistant coach at Colorado State. He helped the Rams qualify for three NCAA tournaments, including a Sweet-16 appearance in 1999 and second-round showings in 1997 and 1998.

Murphy also served as head coach of various club organizations around the country over a 10-year period. While in Fort Collins, Colo., he guided his 18U team to a top-20 ranking during the 1999 season and led the Norco Juniors to the 1998 Rocky Mountain Region title and the 1997 USA Volleyball national qualifiers.

He also had extensive high school coaching experience. As an assistant coach, he led Marcos de Niza High School (Tempe, Ariz.) to the 5A state title in 1992 and 1993, as well as a state runner-up finish in 1994. As the boy's varsity coach, he directed the team to the state quarterfinals in 1994.

Murphy received his bachelor's degree from Arizona State in 1992 and master's degree in 1995. He was born on July 19, 1968.

Murphy married the former Corie Isaacson on May 17, 2008. The couple welcomed their first child, Makenna Deborah, on April 2, 2009.

Angela Mooney-Herman

Assistant Coach | Sixth Season | Texas Tech '04

Angela Mooney-Herman-Herman enters her sixth season with the UTEP volleyball program.

Mooney-Herman-Herman's coaching duties include, but are not limited to, recruiting coordinator, training middle blockers, scouting opponents, participating and running daily drills and organizing UTEP's volleyball satellite camps held every summer.

Under her guidance, UTEP closed out the 2009 campaign ranked second in the league and 29th nationally in blocks per set (2.6). Leading the charge in that department was Cassandra Burruel, who checked in fourth among C-USA players for blocks per set (1.12). Burruel, who returns to the Miners for 2010, broke the program's four-set match record with 12 assisted net stops against Marshall (10/18/09).

Mooney-Herman has extensive coaching experience at the club level. She coached for the Texas Power Volleyball Club from 2001-04. In her inaugural season as head coach, Texas Power won the Sun Country Regional Championship, qualifying for the 2004 Junior Olympic National Tournament. Mooney-Herman was an assistant for Texas Power the previous three years, helping the team make appearances at the AAU national tournament in 2001 and the National Invitational in 2002.

In 2005, Mooney-Herman teamed with the El Paso Sunspots Volleyball Club as the head coach of their top 18's team. The Sunspots' 18-Heat won the Sun Country Regional Championship, qualifying for the 2005 Junior Olympic National Tournament.

In 2009, Mooney-Herman captured her fourth regional championship in five years as head coach to the Sunspots 18's and again returned to the Junior Olympic National Tournament held in Miami, Fla. She was also named the co-head coach of the 2007 Sun Country High Performance team that competed in Ft. Lauderdale, Fla.

Mooney-Herman played volleyball at Texas Tech from 2000-03. She tallied 930 kills, 348 digs and 229 blocks. She currently holds various hitting and blocking records. She was named Academic All-Big 12 in 2003.

The Lubbock native earned her bachelor's degree in Human Development and Family Studies from Texas Tech in May 2004. Mooney-Herman married David Herman on May 22, 2010.

Julie Allen

Assistant Coach | First Season | Pacific '02

Julie Allen enters her first season as an assistant coach to the UTEP volleyball program.

Allen's main responsibilities will include working with the setters, scouting and assisting with recruiting.

The Sebastopol, Calif., native joins the UTEP volleyball staff after a two-year stint at Arkansas State. While at Arkansas State, Allen helped direct the Red Wolves to back-to-back winning seasons, 22-11 in 2009 and 21-12 in 2008.

Prior to Arkansas State, Allen spent two years as an assistant coach at Georgetown where she handled scouting, offseason recruiting and team development. She began her collegiate coaching career at Chico State where she assisted the with recruiting, travel and summer camps while leading the men's club team to a fifth-place finish at the national tournament.

Allen is a 2005 graduate of the NCAA Women's Coaches Academy, a program that provides skills training for coaches at all levels to assist them in being more efficient, productive, resourceful and successful. She also participated in the NCAA Women Coaches Academy Dimension 2 in 2007.

Allen received her Bachelors degree in Education with a concentration in social studies from the University of Portland where she was a four-year setter for the Pilots. She ranks fifth all-time in Pilots' history in career assists with 2,042.

Following graduation, Allen served as head coach at Tualatin High School and brings club experience after working with the Empire Volleyball Club in Santa Rosa, Calif.

2010 | UTEP | Media Policy

Please direct any UTEP Football interview, information or photo requests to Angela Olivas, Associate Director for Media Relations (915) 747-6451; acolivas@utep.edu). The UTEP Athletic Media Relations Office is located in Brumbelow Building Room 126 at 201 Glory Road, next to the Don Haskins Center.

CREDENTIALS

Requests for working press credentials at UTEP home volleyball games should be made in writing on company letterhead or via phone call to Angela Olivas in the athletic media relations office. The mailing address is Brumbelow Building Room 126, 201 Glory Road, El Paso, Texas 79902. Requests may be sent by fax (915-747-5444) or e-mail (acolivas@utep.edu), but all requests should be received at least one week prior to the game.

Media agencies which cover UTEP and the visiting school on a regular basis will receive top priority. Other credentials will be issued according to availability of space. Credentials can be picked up in the UTEP athletic media relations office or, on gameday, will be available from the ticket office attendant in Memorial Gym.

PRESS ROW SERVICES

Wireless internet access is available in Memorial Gym. Programs, statistics and notes for both teams will be provided prior to each game. Last-minute lineup changes, weather conditions and other information will be relayed by request from a member of the media relations office. Play-by-play and statistics can be distributed at the conclusion of each half by request. Complete team and individual statistics, a scoring summary and post-game notes are available after each game by request. UTEP coach and player quotes are available by request. For fax service, please contact a UTEP athletic media relations staff member.

SIDELINE POLICY

All photographers and cameramen are granted access to the sidelines with the appropriate credentials. Sideline access generally is limited to newspapers or publications staffing the two teams, national publications, wire services, and local and national television outlets.

Sideline photographers must follow NCAA guidelines, which prohibit access to the bench areas and the stands.

GAMEDAY PARKING

Press parking at Memorial Gym is on a first come, first serve basis. Requests for parking passes should be made at least a week in advance of the game to Angela Olivas.

POSTGAME INTERVIEWS

Following a brief cooling-off period, UTEP coach Ken Murphy and selected players will be available for interviews on the field after the game. The locker room and offices at the Helen of Troy Complex are closed.

PRACTICE COVERAGE/INTERVIEWS

Members of the media are permitted to attend practices. Please contact the UTEP athletic media relations office in advance for the status of practice and for clearance into practice. Media members (including photographers) are required to observe practice from the side of the field. Coach and player interviews are permitted before and after practice. Player interviews are not permitted on gamedays, although coach Cross is available on that day for

live television interviews.

All interviews with UTEP players and coaches should be arranged through the media relations office. Media members are asked not to call players at home or contact them via email or facebook, unless previously arranged by the media relations office.

UTEP ON THE WEB

The official UTEP athletic department website is located at www.utepathletics.com and features up-to-date game notes and statistics as well as press releases, player and coach biographies and photos. The Miners can also be followed on Twitter, Facebook and YouTube.
